Vinyl Friends

FRIENDS BY TER HÜRNE

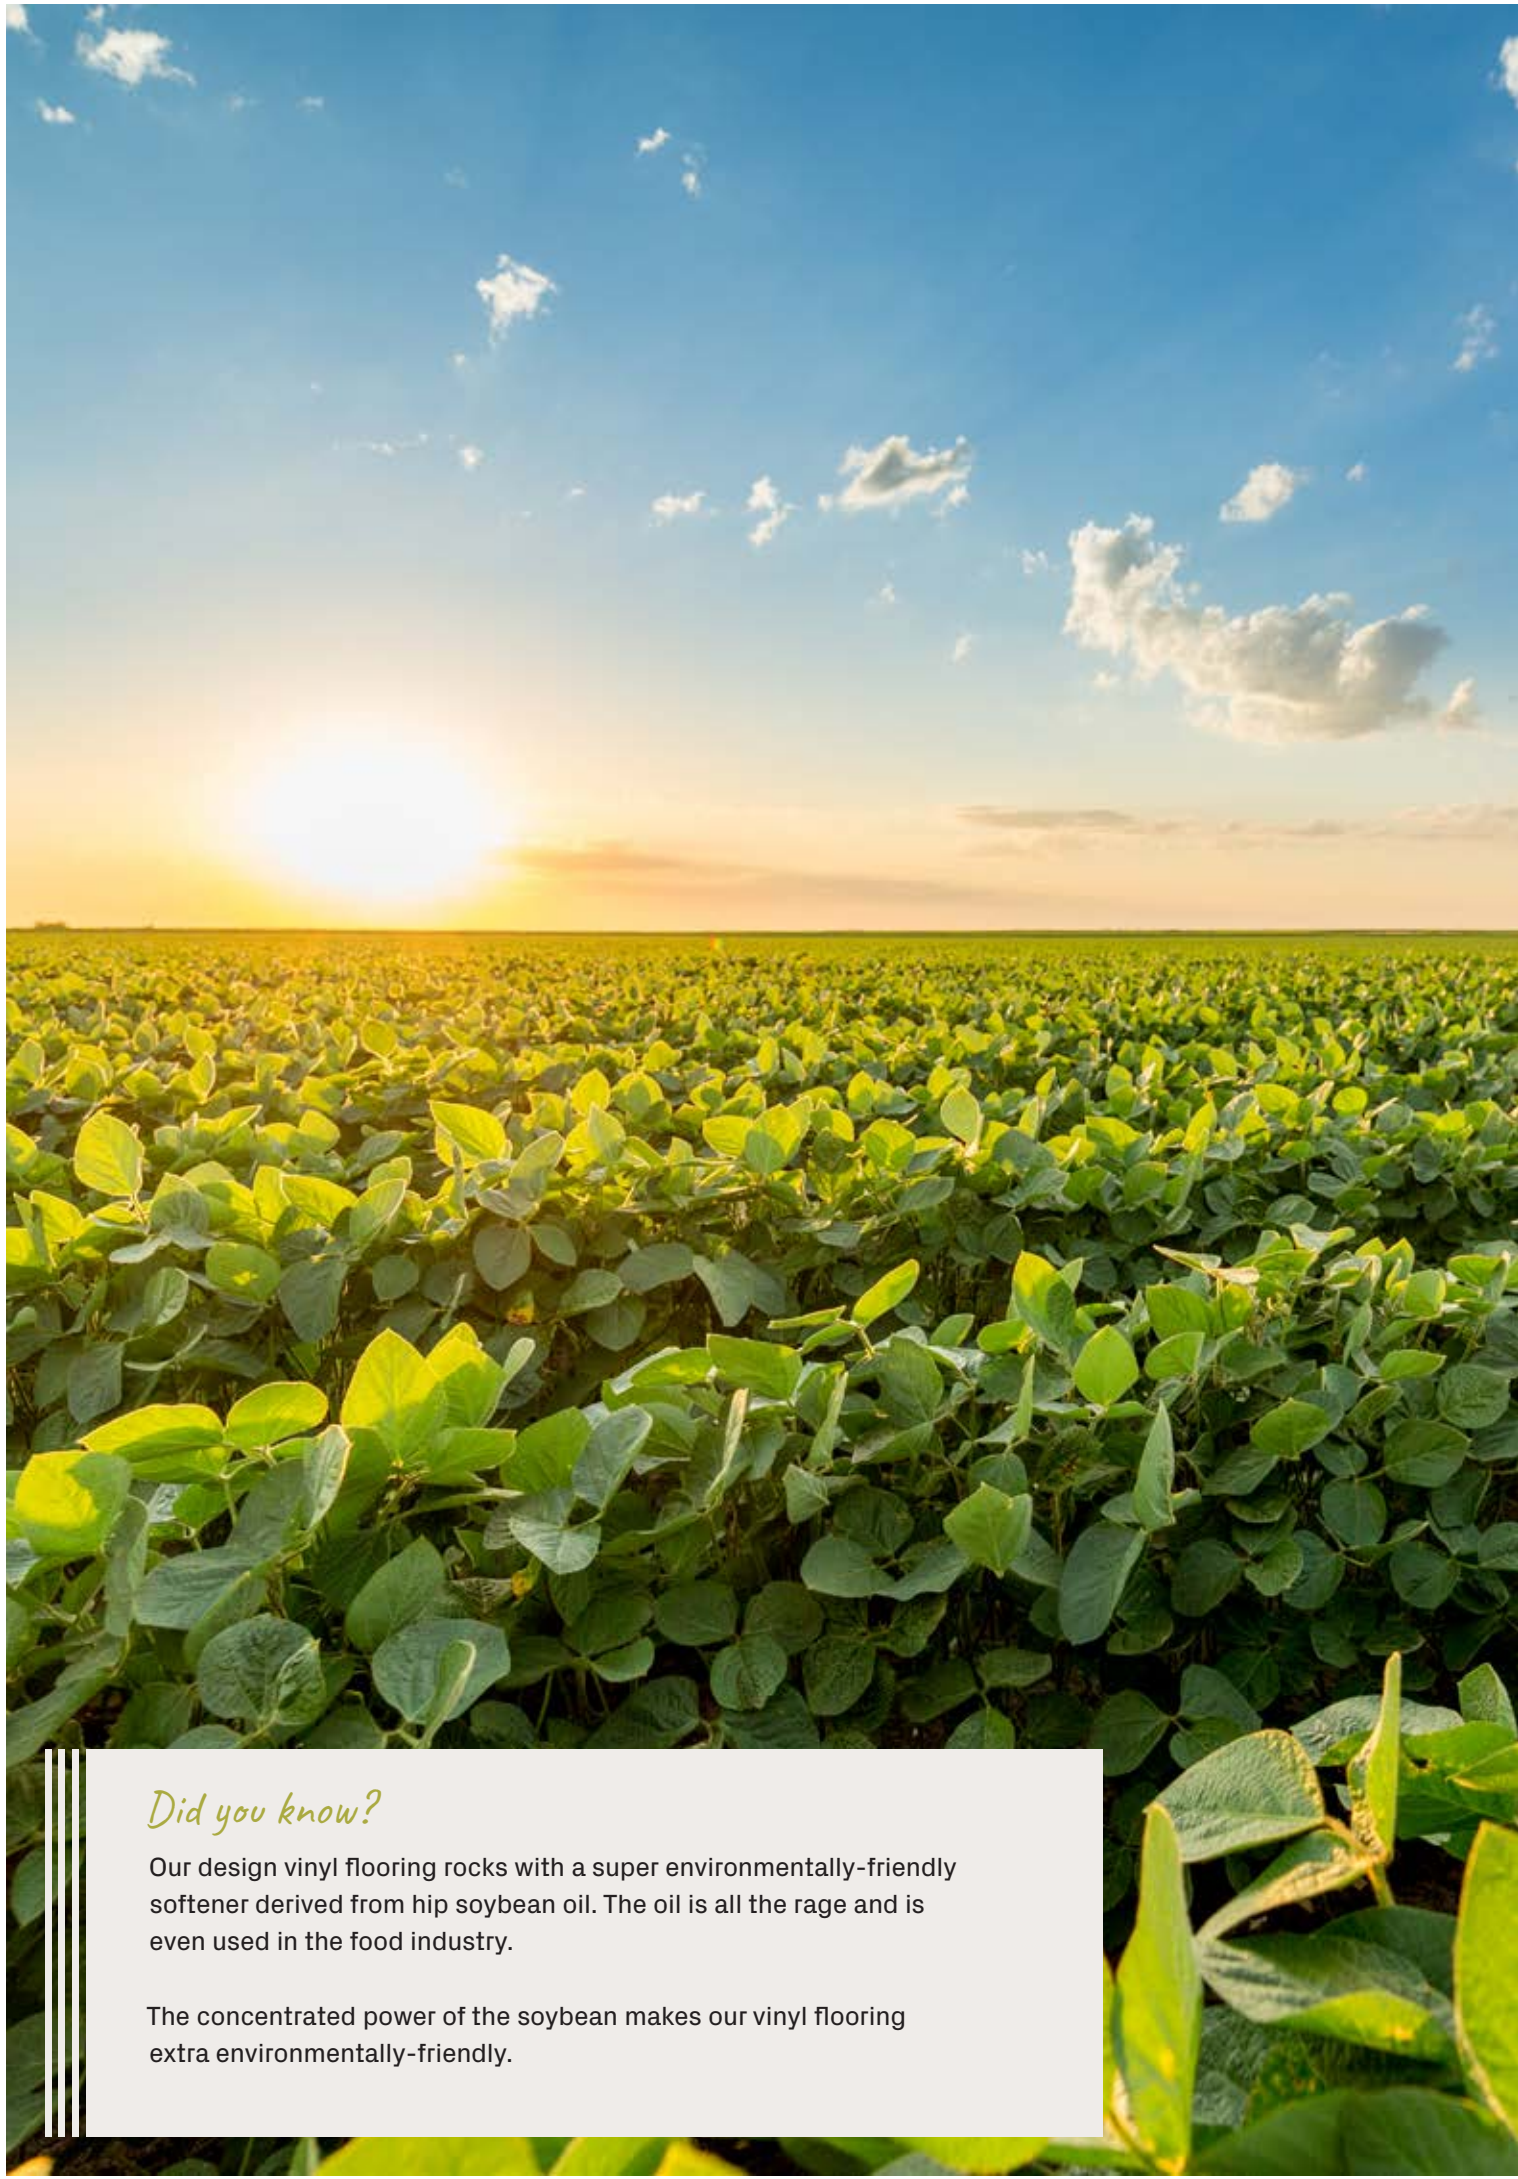

For a trendy generation

Our “Friends” brand combines quality, durability and innovative design in a unique combination. With our vinyl flooring, you can design your home or workspace according to your requirements and follow the latest trends. No matter if you have a chic loft apartment, a cosy room in a shared apartment or a modern workplace, Friends offers you the ideal solution.

In addition to the phthalate-free formulation, Friends vinyl flooring also offers many other benefits. It is robust, easy to clean and resistant to scratches and wear. You can safely move your furniture around or meet friends for a dance without damaging the floor.

What’s more, the installation of Friends vinyl flooring is quick and easy. With our practical click system, you can easily install the flooring yourself and thus save time and money. The Dryback variant is completely elastic and suitable for bonding: Thus for professionals who know how it works.

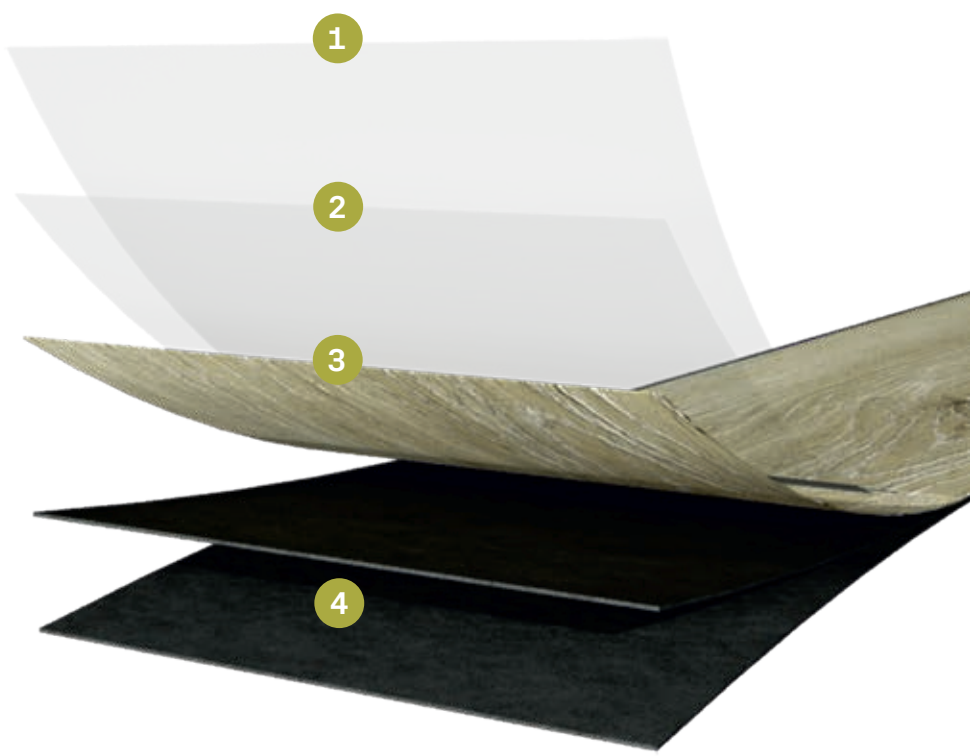

Whether you want to design your room in a new look or choose a flooring that suits your modern lifestyle. Discover our versatile range of vinyl flooring and get ready for a stylish change. What are you waiting for? Be part of the Friends generation and get your new vinyl flooring!

EASY SLIM

Product construction – Dryback

- 1 Transparent, hardwearing PU-coating
- 2 Transparent wear layer with embossed structure
- 3 Printed decor layer
- 4 Double LVT middle layer

* Suitable for hot water and electric underfloor heating systems.
For electric surface heating systems with gentle warm-up technology and temperature control unit.
If heating systems are fitted with re-cooling, they must be equipped with automatic dew point control.

Did you know?

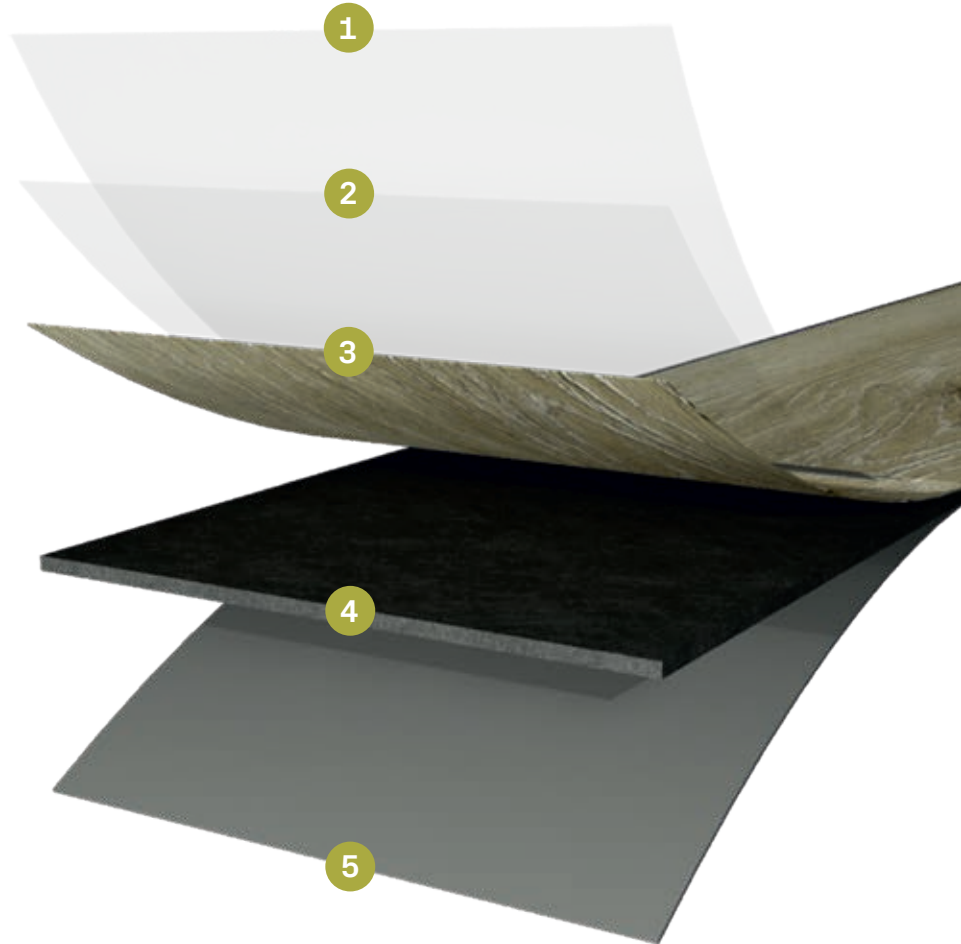

Our design vinyl flooring rocks with a super environmentally-friendly softener derived from hip soybean oil. The oil is all the rage and is even used in the food industry.

The concentrated power of the soybean makes our vinyl flooring extra environmentally-friendly.

EASY STRONG

Product construction – Rigid

- 1 Transparent, hardwearing PU-coating
- 2 Transparent wear layer with embossed structure
- 3 Printed decor layer
- 4 Rigid board
- 5 Impact sound insulation

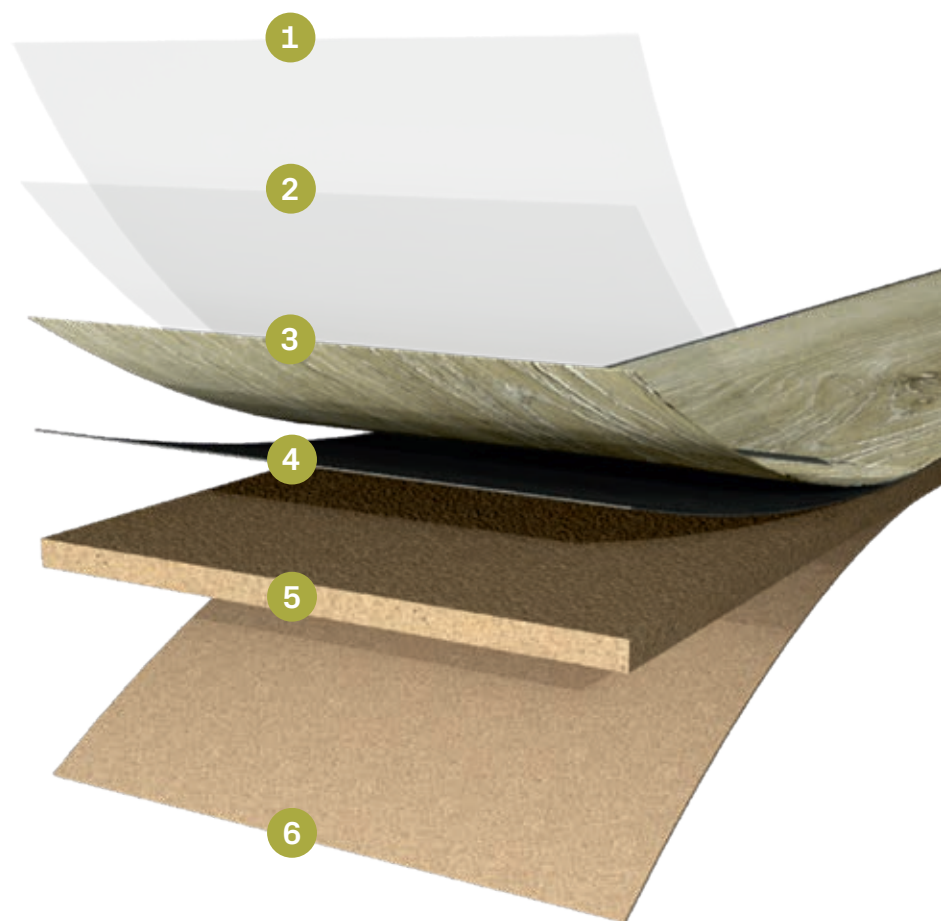

* Suitable for hot water and electric underfloor heating systems.
For electric surface heating systems with gentle warm-up technology and temperature control unit.
If heating systems are fitted with re-cooling, they must be equipped with automatic dew point control.

MY VIRTUAL FLOOR

My Room Studio

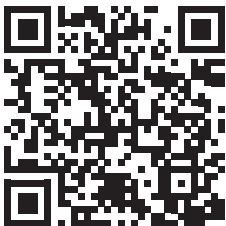

With our virtual Room Studio you can view all of our floors in your own home. Here and now. Just use your smartphone. As soon as you are in the Room Studio you have two options:

- 1

You can either take a picture of your room with your smartphone and select your preferred floor, which you lay
- virtually.

2 Or you can select room images from our gallery and virtually lay your preferred floor there.

With our virtual Room Studio you can look at all of our floors in the comfort of your own home either on your laptop, tablet or desktop computer. Due to the size of the display, this is sometimes the better alternative. Just click on the “Room Studio” button on the right-hand side of the screen.

Insert your own room photo, take out the old floor and experience the new floor in your own room!
